Watercolour of Country House & Garden

This is an attractive 19th c watercolour of a country house and garden. It is initialled N H and dated 1887. An inscription on the back states that the watercolour is of a Buckinghamshire garden by Nelly Haddon

The watercolour is painted by a good hand with lush vibrant colours and intricate detail.

It is in good condition with no fading, tears to the paper or foxing and is set in the original gilt mount. The moulded gilt frame has been replaced more recently.
